EXHIBITS

Oil Hydraulic Equipment

Gear pumps, Vane pumps, Piston pumps, Others pumps, Gear motors, Vane motors, Piston motors, Others motors, HST, Hydraulic cylinders, HST Actuators, Hydraulic control valves, Servo & Proportional control systems, Shock absorbers, Hydraulic Jack, Accumulators, Oil filters, Oil coolers, Hydraulic units / systems, Unique applications, Others Hydraulic related equipment and systems (Seals, Packings, Hoses, Tubes, Joints)

Pneumatic Equipment

Cylinders, Motors, Actuators, Pressure control valves, Flow control valves, Directional control valves, Safety valves, Relief valves, Decompressing valves, Filters, Lubricators, Air driers, Compressors, Vacuum equipment, Applied equipment, Unique applications, Others pneumatic related equipment and systems (Seals, Packings, Hoses, Tubes, Joints)

Water Hydraulic Equipment (Aqua Drive System)

Positive displacement pumps, Centrifugal pumps, Motors, Cylinders, Rotary actuators, Directional control valves, Pressure control valves, Servo & Proportional valves, Others Water hydraulic related equipment and systems (Filters, Accumulators, Water control units, Piping, Hosing, and Fitting)

Related Equipment

Sensors, Optic fibers, Electric/Electronic control, equipment, Thermostats, Liquid level gauges, Liquid level switches, Thermometers, Programmable controllers, Related PC software, Others related equipment and systems

Applied Equipment

Factory Automation equipment, Feeders, Controls, Air tools, Maintenance tools, Others applied equipment and systems
